Privacy Statement

This Privacy Statement describes how we collect, use, handle and disclose your personal information. It also describes the matters to which you give your consent when applying for a Policy.

Any personal information we collect will be handled in accordance with our Privacy Policy (available at www.assetinsure.com.au/privacy-policy/) and the Privacy Act 1988 (Cth) (the Privacy Act). Our Privacy Policy includes information about your right to access and seek correction of the personal information we hold about you and how you may do this, how you can make a complaint about a breach of your privacy rights and how we deal with complaints.

Collection and use of your personal information

We usually collect personal information directly from you. In some circumstances, we may collect your personal information from another person or source – we usually only do this when it is unreasonable or impracticable for Assetinsure Pty Ltd to collect it directly from you or when you would expect us to collect the information from a nominated third party. For example, when you authorise a representative (e.g. an insurance broker, financial planner, legal services provider, agent or carer providing services) to deal with us on your behalf, we will seek the information directly from them.

You agree that your personal information may be collected, held and used by us for the purpose of providing our services to you, including offering and assessing an application for a Policy and providing, managing and/or administering any Policy subsequently provided to you.

In addition, you agree that your personal information may be collected, held and used for the purposes of corresponding with you, managing any claims you make and services we provide you, executing your instructions, managing our relationship with you, complying with legislative and regulatory requirements, collecting payments, responding to your enquiries, marketing our services and understanding services you may be interested in receiving (we may do this by calling you or sending you direct mail, such as by email to your email address), for internal purposes (including risk management, underwriting and pricing, quality assurance and training purposes) and for other purposes identified at the time of collecting your information.

Consequences if information is not provided

If you do not provide us with the information we need, we will be unable to consider your application for insurance, administer your Policy or manage any claim under your Policy.

Disclosure of your personal information

You agree that we may disclose your personal information:

- · to Enthusiast;
- to our external service providers and contractors (such as any mail house, commercial agent or entities engaged by us to carry out certain business activities on our behalf, such as loss assessors, claims investigators, insurance reference bureau, underwriters and reinsurers, lead generators, data analysts, claims reference providers, hospitals, medical and health professionals, and information technology service providers);
- to our related entities, assignees, agents and external advisers (such as legal and other professional advisers);
- to any other person we consider necessary to execute your instructions;
- to any financial institution to or from which a payment is made in relation to any Policy you have; or
- in accordance with any consent you give or where disclosure is authorised or compelled by law (for example, to law enforcement and regulatory, government and dispute resolution bodies).
